## Policy

A perquisite is not allowable if it is not a business-related requirement. To be allowable, a perquisite must be a business-related requirement for the effective performance of an individual's job.

The following perquisites are **not allowed** under any circumstances:

- Club memberships for personal recreation or socializing purposes, such as fitness clubs, golf clubs or social clubs.
- Season's tickets to cultural or sporting events.

- Clothing allowances not related to health and safety or special job requirements.
- Access to private health clinics – medical services outside those provided by the provincial health care system or by Contact Hamilton’s group insurance benefits plan.

These privileges/perquisites cannot be provided by any means, including:

- An offer of employment letter, as a promise of a benefit,
- An employment contract, or
- A reimbursement of an expense.

Any request for a business-related perquisite must be made in writing to the Executive Director. Approval for any perquisite request will only be granted in limited and exceptional circumstances where it is demonstrated to be a business-related requirement for the effective performance of an individual’s job, and is not disallowed as per this policy.

No perquisite shall be taken or paid for in advance of written approval by the Executive Director.

Any provision in any other policy or agreement that conflicts with this policy is not valid or enforceable.
